Fri: 1-4pm Sat: 10-4pm Sun: Closed

Term: Fall | Issue 3 | Date: November 1st, 2018

## VETERAN'S WEEK

November 5th-11th is National Veteran's Week, and to commemorate the participation of Canadian men and women in wars and conflicts, both past and present, we're digging into our collection to highlight some of our material relating to Canadian participation in major world conflicts. Whether fictional or historical, books can offer new perspectives and discussion points for difficult topics.

In addition to literary material for adults, the library also has activity booklets available to help broach the topic of Remembrance with young children.

## NEW ITEMS

We now have new items in our children's area!  
Come check out the new Lego Table at the Library!

Lego & Duplo are available during Library hours.

(drop in)

## STEAM

Our STEAM program is designed to encourage children to develop an interest in Science, Technology, Engineering, Art and Math at a young age.

Join us for STEAM every third Saturday of the month. Our current program is for children ages 3-9.

We will have new gadgets and activities at each STEAM session!

## KEY DATES

**Nov.5th-11th: Veteran's Week:**

Visit the Library to explore our Remembrance Day resources.

**Nov.17th: STEAM** games and activities for children:

10:30-11:15am at the Library

## MATCHING DONOR

With the excitement of the new library space in Radium Hot Springs Centre, we have received news that an anonymous donor would like to match, dollar-for-dollar, donations to the Radium Hot Springs Public Library Endowment Fund. The donor would like to see the Endowment Fund reach the threshold for granting to the library (\$10,000). This is a wonderful opportunity to grow our fund and to begin providing monetary support for the Library's programming. Please consider donating to the Endowment Fund this year to help us take advantage of this matching donation opportunity.
