## MATCHING DONOR

With the excitement of the new library space in Radium Hot Springs Centre, we have received news that an anonymous donor would like to match, dollar-for-dollar, donations to the Radium Hot Springs Public Library Endowment Fund. The donor would like to see the Endowment Fund reach the threshold for granting to the library (\$10,000). This is a wonderful opportunity to grow our fund and to begin providing monetary support for the Library's programming. Please consider donating to the Endowment Fund this year to help us take advantage of this matching donation opportunity.
