STORY TIME

Join us every Wednesday from 10:45am - 11:15am for our revitalized Infant and Pre-K Story Time program. Story Time at the Radium Library will now include songs, activities and a story.

Participants of any age are welcome to join. Children must be accompanied by an adult for all of our library programs.

STEAM IS BACK!

Join us for STEAM on the third Saturday of the month. We will have new gadgets and activities at each STEAM session!

Our STEAM programs are designed to encourage children to develop an interest in Science, Technology, Engineering, Art and Math at a young age.

This months program is for children ages 8-12. It will run simultaneously with our program for children ages 3-7.
